LIONHEART MEDICAL EXPRESS

STATEWIDE GEORGIA MEDICAL COURIER SERVICES

Reliable Coverage Across Georgia

At LionHeart Medical Express, we provide professional medical courier and delivery solutions designed to support healthcare organizations throughout the state of Georgia.

Whether your organization requires a scheduled route, same-day delivery, STAT service, or a dedicated driver, our goal is to provide a dependable transportation solution tailored to your operational needs.

ROUTES THROUGHOUT GEORGIA

Our service network is designed to support deliveries throughout Metro Atlanta and communities across Georgia, including:

- Atlanta & Metro Atlanta
- North Georgia
- Central Georgia
- South Georgia
- East Georgia
- West Georgia
- Georgia Coastal Region
- Rural and surrounding communities

Origin-to-destination routes can be customized based on your facility's pickup and delivery requirements.

ROUTE SERVICES

Routine Scheduled Routes

Consistent, dependable transportation for recurring daily, weekly, or customized delivery schedules.

STAT & Urgent Deliveries

Time-sensitive transportation when a delivery requires immediate attention and a rapid response.

After-Hours Service

Delivery support outside standard business hours for organizations requiring extended coverage.

Weekend & Holiday Service

Additional transportation support when your facility's operations continue beyond the traditional workweek.

Dedicated Driver & Vehicle

For specialized or high-priority transportation needs, dedicated driver and vehicle options can provide a direct delivery solution with minimal stops.

Facility-to-Facility Transportation

Reliable transportation between hospitals, laboratories, clinics, pharmacies, medical offices, surgical centers, and other healthcare facilities.

BUILT AROUND YOUR ROUTE

We understand that every healthcare organization operates differently. That's why LionHeart Medical Express can work with your team to establish transportation solutions around your specific:

- Pickup and delivery locations
- Service frequency
- Delivery windows
- Route requirements
- After-hours needs
- Weekend requirements
- Wait-time expectations
- Dedicated transportation needs

PROFESSIONAL SERVICE ACROSS GEORGIA

Our commitment remains consistent regardless of the distance:

Professionalism. Reliability. Communication. Accountability. Care.

We respect each facility's chain of command and established procedures while maintaining clear communication throughout the delivery process.

Because in healthcare, time matters—and so does how your delivery is handled.

LET'S BUILD YOUR ROUTE

Whether you need a single delivery or ongoing statewide transportation support, LionHeart Medical Express is ready to develop a solution that fits your organization.

LIONHEART MEDICAL EXPRESS

Beyond the Ordinary. Driven by Compassion. Dedicated to Care.
