LIONHEART MEDICAL EXPRESS

GEORGIA STATEWIDE SPECIMEN TRANSPORTATION

MASTER SERVICE & RATE SHEET

Beyond the Ordinary. Driven by Compassion. Dedicated to Care.

PROFESSIONAL SPECIMEN TRANSPORTATION THROUGHOUT GEORGIA

LionHeart Medical Express provides professional medical courier and specimen transportation services for healthcare organizations throughout Georgia.

We support hospitals, laboratories, physician practices, clinics, surgery centers, pharmacies, research facilities, and other healthcare organizations with dependable transportation solutions.

Our statewide service model is built around four priorities:

TIME • CARE • COMMUNICATION • ACCOUNTABILITY

Every assignment is approached with professionalism, attention to detail, and respect for the client's established chain of command and transportation procedures.

ROUTINE SPECIMEN TRANSPORTATION

Routine service is intended for scheduled, non-emergency specimen transportation during standard operating hours.

One-Way Distance	Starting Rate
0–10 miles	$35
11–25 miles	$50
26–50 miles	$75
51–75 miles	$100
76–100 miles	$135
101–150 miles	$175
151–200 miles	$225
201+ miles	Custom Quote

Distance is calculated from the designated pickup location to the delivery destination. Final pricing may vary based on route conditions, number of stops, wait time, and service requirements.

STAT / URGENT SPECIMEN TRANSPORTATION

For specimens requiring priority dispatch and expedited transportation.

One-Way Distance	Starting Rate
0–10 miles	$75
11–25 miles	$90
26–50 miles	$125
51–75 miles	$160
76–100 miles	$200
101–150 miles	$250
151–200 miles	$325
201+ miles	Custom Quote

STAT service receives priority dispatch based on driver availability and route requirements.

AFTER-HOURS SPECIMEN SERVICE

EVENINGS • OVERNIGHTS • EARLY MORNINGS

$100 minimum

After-hours service is available for facilities requiring transportation outside standard operating hours.

Final pricing may include:

- Distance
- Time of request
- Urgency
- Driver availability
- Wait time
- Number of stops

Extended statewide after-hours routes are quoted individually.

WEEKEND & HOLIDAY SERVICE

SATURDAY • SUNDAY • HOLIDAYS

$100 minimum

Weekend and holiday service is available for healthcare organizations requiring continued transportation coverage.

Recurring weekend routes may qualify for contract pricing.

Holiday transportation may require an additional premium depending on the requested service window.

DEDICATED DRIVER & VEHICLE

DIRECT TRANSPORTATION

Starting at $150

A dedicated driver and vehicle are assigned specifically to your transportation request.

Recommended for:

- STAT specimen transportation
- High-priority laboratory routes
- Multiple facility stops
- Large or recurring specimen routes
- Time-sensitive assignments
- Dedicated facility coverage
- Special transportation requirements

Dedicated Service Options

Hourly: Starting at $75/hour

Half Day: Starting at $300

Full Day: Starting at $600

Custom recurring route pricing available.

MULTIPLE-STOP ROUTES

For routes involving multiple pickup or delivery locations:

Starting at $15 per additional stop

Custom route pricing may be more economical for facilities with multiple daily stops.

Pricing is determined by:

- Number of stops
- Total mileage
- Route duration
- Pickup windows
- Delivery windows
- Wait time
- Frequency of service

WAIT TIME

STANDARD WAIT TIME

A reasonable pickup/drop-off window is included with standard service.

Additional wait time:

$25 per 15-minute increment

For recurring routes, a customized wait-time agreement may be established.

RETURN TRIPS

When a driver must return to the original facility or make an additional trip:

Starting at $35

Final pricing is based on distance and reason for the return trip.

LONG-DISTANCE GEORGIA ROUTES

For statewide transportation exceeding 200 miles, LionHeart Medical Express provides custom route pricing.

Long-distance quotes may consider:

- Total round-trip mileage
- Driver time
- Fuel
- Number of stops
- Delivery deadline
- Wait time
- After-hours requirements
- Weekend/holiday requirements
- Dedicated vehicle requirements

STATEWIDE ROUTES AVAILABLE

Atlanta ↔ Savannah Atlanta ↔ Augusta Atlanta ↔ Columbus Atlanta ↔ Macon Atlanta ↔ Albany Atlanta ↔ Valdosta Atlanta ↔ Brunswick Atlanta ↔ Athens Atlanta ↔ Rome Atlanta ↔ Gainesville

And other Georgia destinations by request.

RECURRING FACILITY ROUTES

Healthcare organizations with consistent transportation needs may qualify for contract and monthly route pricing.

Examples include:

DAILY ROUTES

Morning, afternoon, or evening specimen pickups.

TWICE-DAILY ROUTES

Dedicated morning and afternoon transportation.

MULTIPLE-STOP ROUTES

Transportation between multiple facilities and laboratories.

ON-DEMAND SERVICE

Transportation requested as needed.

DEDICATED ROUTE

A dedicated driver assigned to an organization's recurring transportation schedule.

CONTRACT PRICING

Contract pricing can be customized based on:

- Number of trips per week
- Number of facilities
- Mileage
- Number of stops
- Average route duration
- Specimen volume
- Required pickup windows
- Required delivery windows
- After-hours coverage
- Weekend coverage
- Dedicated driver requirements

Monthly and annual service agreements are available.

SERVICE PRIORITY

ROUTINE

Scheduled transportation during standard operating hours.

PRIORITY

Expedited transportation requiring an accelerated response.

STAT

Immediate priority transportation based on driver availability.

DEDICATED

Direct transportation with a designated driver and vehicle.

AFTER-HOURS

Transportation outside standard operating hours.

WEEKEND/HOLIDAY

Transportation when standard weekday service is unavailable.

PROFESSIONAL HANDLING & COMMUNICATION

LionHeart Medical Express understands that specimen transportation requires professionalism, accountability, and attention to detail.

Our team respects each client's established chain of command, authorized personnel, communication procedures, and facility protocols.

We are committed to:

- Timely pickup and delivery
- Professional communication
- Appropriate handoff procedures
- Delivery confirmation
- Responsible handling
- Respect for facility procedures
- Clear escalation when issues arise

Time matters. Proper handling matters. Communication matters.
